On September 29, 2021, per U.S. Marshals Service (USMS) report CC-2185-0929-1441-G, USMS deputies and officers with Colville Tribal Police were seeking Mr. Saulque who had an active arrest warrant, issued by the Honorable U.S. District Judge Peterson on June 14, 2021, in respect to violations of his supervised release. Report CC-2185-0929-1441-G indicates that Mr. Saulque was observed as a lone occupant in a vehicle with the engine running with his head down and he appeared to be passed out. Mr. Saulque was ultimately removed from the car, placed in handcuffs and arrested on the aforementioned warrant. A USMS deputy observed the barrel of a stainless-steel revolver in a jacket on the driver side seat to include live .22 rimfire cartridges in plain view of the driver's door handle. A USMS deputy removed the revolver from the jacket and unloaded the pistol. It contained seven live .22 rimfire cartridges and two spent cases. The handgun bore the marking "Sentinel Deluxe," and had two rows of numbers: 1987961 and R-107.

Report CC-2185-0929-1441-G references a conversation with a female who was identified as Mr. Saulque's girlfriend. The female indicated Mr. Saulque threatened her with the aforementioned handgun on September 27, 2021, to include firing the handgun into a bathroom where she and her son were attempting to hide from Mr. Saulque. A search of the vehicle was conducted with consent of Mr. Saulque's girlfriend who was the owner of the vehicle, in which further ammunition was located and bagged for evidence to be secured in the USMS evidence locker in Spokane, Washington.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
